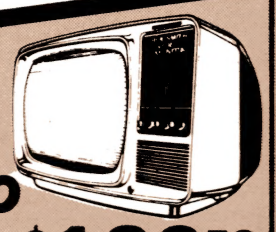
SAVE ON THIS TOP VALUE VIDEO MONITOR



NORMALLY $149.50 **$139.50** Cat X-1196

If you're buying a computer, the salesman will probably try to talk you into buying the monitor that 'goes with the system'. Don't!!! You'll be wasting a fortune – especially at our special mailer price. This video monitor suits virtually ANY computer and you'll really save when you compare our price to theirs!

ALSO AVAILABLE: Deluxe model monitor with GREEN PHOSPHOR DISPLAY Cat X-1198 @ $199

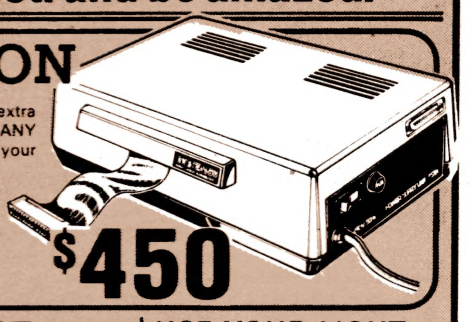
What price is a Tandy monitor?

FILLED IN YOUR TAX FORM YET?

A lot of people run late: get the most by using our 'Austax 81' program in your System 80 or TRS 80 computer. It helps eliminate errors, and will automatically calculate figures as you go: all you do is feed in the data!

'AUSTAX '81'
Cat X-3762
$29.95

SAVE ON S-100 EXPANSION



To get the most from your computer, you'll want to add things: disk drives, printers, extra memory, controller cards, etc. To do this, you need an expansion unit – but not just ANY expansion unit. To avoid being tied to one supplier (with obvious price implications) your expansion unit should conform to the world standard S-100 bus system. Many other computers don't have the benefit of this system. Our does! So if you want a particular add-on device not available from us, you could go to any of hundreds of manufacturers world-wide! And for the next two months, you can save nearly $50.00 on this superb expansion unit . . .

$499 **$450** Cat X-4010

VERIFIED CASSETTES

Data storage is important: don't trust it to any old tape. Dick Smith tapes are verified data cassettes: you'll have less trouble using the genuine article! 10 minutes in length, ideal for all data recording.
